WHY CLERMONT?

World-Class Golf

Dining & Shopping

Charming Downtown.

A LIFESTYLE YOU'LL LOVE. A LOCATION YOU'LL APPRECIATE.

Set among Central Florida's rolling hills, lakes and natural scenery Clermont offers a refreshing balance of peaceful surroundings and everyday convenience. It's a place where beautiful landscapes, outdoor recreation and an established community come together—while keeping you connected to everything the greater Orlando area has to offer.

Mirror Lake places residents near some of the area's most desirable destinations. The renowned Montverde Academy is just a short drive away, along with exceptional golf at Bella Collina and Clermont National. Nearby dining, shopping and entertainment make everyday life convenient, while Clermont's lakes, trails and recreational opportunities make it easy to enjoy the outdoors year-round.

And when you want more, Orlando's world-class dining, shopping, entertainment and attractions are all within reach.

At Mirror Lake, you don't have to choose between natural beauty, convenience and the Central Florida lifestyle—you can enjoy them all.

A Fresh Look is Coming!

We've been working behind the scenes on updates to the Mirror Lake website designed to make exploring the community easier than ever.

The refreshed experience will make it simple to discover available homesites, explore pre-construction home opportunities, meet our custom builders, and learn more about the lifestyle that makes Mirror Lake unique.

Construction Progress at Mirror Lake

LOT 20

TAKING SHAPE

FROM HOMESITE TO HOME

Lot 20 continues to take shape at Mirror Lake, and this month's progress is giving us an exciting first look at the home coming to life.

With block construction complete and the roofline now defining the home's architecture, the vision is becoming easier to see with every milestone.

We look forward to continuing to share its progress as construction continues.

LOT 21

PENDING

Lot 21 remains pending as development and activity continue throughout the Mirror Lake community.
